!!! PRICE REDUCTION!!! Please notify our new price list!

Dear Customers

After having presented the Midi case at the CeBIT Trade Fair in March this year, we are now proud to pronounce the availability of the new product **ARA YY-5605** in Europe.

Specification:

4x5¼"ODD, 1x3½"FDD, 5x3½"HDD, Front USB/Audio/IEEE1394

Features:

Screw-less assembly of drive bays and add-on cards
Excellent ventilation through air guide and 2x 12cm fans
Practical placing of USB/Audio/IEEE1394 Modul

Furthermore the case is not only locked at the side panel, but also at the front panel which can be opened 270° to the rear side. The mesh door and the slot panel are giving the case an appealing design.
